

2019-20 Electronic Device Contract

Protecting students, staff and maintaining the integrity of the learning environment is the top priority.

- Use of electronic devices, except those approved by an administrator, is prohibited and must be powered completely off and stored out of sight.
- Electronic devices shall be powered completely off during after school activities and stored out of sight.
- Possession of an electronic device by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy.

Should a student be observed with an unapproved electronic device during the school day, the device will be confiscated. Additionally, student abuse of this policy will result in further disciplinary action.

During testing and other student evaluations, students are not allowed to have electronic devices in their possession.

STUDENT CONTRACT

I, _____ (student's name) understand that possession of an electronic device on school campus is a privilege, and that it may be revoked at any time by the administration. Furthermore, I understand that the school and its employees are in no way responsible for any theft or damage of my electronic device or cell phone while on school grounds. The school is not obligated to investigate the loss or damage of any phone or electronic device.
